

Customer: A & R Carton

Sector: Manufacturing

About A&R Carton

- A manufacturer of folded carton packaging
- Process 240,000,000kg of cardboard per year
- Revenue of €320 million p.a. 1700 employees

Their Challenge

- Wanted to replace their MPLS network with more capacity without killing their budget

Our Solution

19 site IP VPN including Internet Central and Bandwidth between 4Mb and 50 Mb

Why Interoute

- Started as a benchmarking exercise
- Interoute offered higher bandwidth pricing
- A & R Carton realised they could increase bandwidth and start running voice and video solutions
